

THE SOCIAL ARCHITECTS FOUNDATION

Project Activity Report

Helping them to help themselves

PROJECT 01

Kharghar Food Bank

A daily meal for 200 cancer patients

PROJECT 02

Sion Food Bank

A daily meal for 200 people

PROJECT 03

Yodha Ghar

A shelter home with daily ration for 27 residents

SUMMARY

Three projects, running every day

The Social Architects Foundation runs two food banks, at Kharghar and at Sion, and one shelter home, Yodha Ghar. All three operate on a daily basis. This report sets out the scale of each project as on 6 October 2026.

65,000

meals served to date by the two food banks

427

people supported every day across all three projects

3

projects in continuous daily operation

PROJECT	ACTIVITY	RUNNING FOR	PER DAY	TOTAL TO DATE
Kharghar Food Bank	Daily meal for cancer patients	217 days	200 people	43,400 meals
Sion Food Bank	Daily meal	108 days	200 people	21,600 meals
Yodha Ghar	Shelter home with daily ration	2 years 6 months	27 residents	Ration every day
Total			427 people	65,000 meals

BASIS OF FIGURES

Food bank totals are the number of people served per day multiplied by the days of service, counting one meal per person per day: $200 \times 217 = 43,400$ at Kharghar and $200 \times 108 = 21,600$ at Sion. The 65,000 total covers the two food banks only. Yodha Ghar's ration is not converted into a meal count.

PROJECT 01

Kharghar Food Bank

A meal every day for 200 cancer patients in Kharghar, Navi Mumbai.

200

cancer patients served
every day

217

days of service as on 6
October 2026

43,400

meals served to date
(200 × 217)

ABOUT THE PROJECT

The Kharghar Food Bank serves cancer patients. Treatment is long and costly for most families, and a dependable meal each day is one less thing for the patient and the family to arrange. The food bank has served 200 people a day for 217 days and continues to run daily.

PROJECT 02

Sion Food Bank

A meal every day for 200 people in Sion, Mumbai.

200

people served every day

108

days of service as on 6
October 2026

21,600

meals served to date
(200 × 108)

ABOUT THE PROJECT

The Sion Food Bank is the Foundation's second food bank and follows the same model as Kharghar: one meal a day, every day, for 200 people. It has run for 108 days and continues to run daily.

PROJECT 03

Yodha Ghar

A shelter home for 27 residents, with ration provided every day.

27

residents staying at the home every day

30

months in operation (2 years 6 months)

Daily

ration provided for all residents

ABOUT THE PROJECT

Yodha Ghar is the Foundation's shelter home and its longest-running project. It has been in operation for 2 years and 6 months. 27 people live at the home on any given day, and the Foundation provides the ration for all of them on a daily basis.
